

**Downtown Summerlin Saturday 9-2**

**The UNCOMMONS Sunday 10-2**

**The District Green Valley Ranch Thursday 10-2 (Winter) 9-1 (Summer)**

General Guidelines

1. Please arrive at least 1 hour prior and **be set up and ready to sell 30 min prior to the start of the market time**. If you don't arrive 30min. prior to market time you will not be able to participate that day. Fees will **NOT** be carried over if you miss the market.
2. Vehicles **MUST** be removed prior to start of markets. Vendors aren't permitted to park in front of their space. Please be courteous of where you park.
3. **All vendors who hold health permits must have a copy with them on site.** (Inspections done regularly)
4. **Uncommons and DGVR:** Vendors supply their own tent/tent weights, tables and chairs. Table cloths are required. Standard stall rental is for a 10x10 space. **Each canopy MUST BE secured for wind with tent weights.** We also suggest bringing plastic covering for merchandise in case of rain.  
**DTS: NO tents!** Vendors provide their own table and table cloth. Chairs are provided, please do not bring your own. Space allotted is 6-12 ft depending on booth location. Some booths will require configuring your table set-up as an L shape.
5. Please take into consideration that each vendor is part of a display. Make sure to keep tablecloths and booth clean. Professional conduct and appearance are always expected at Las Vegas Farmers Markets®. Any disruptive behavior by booth operators and/or their employees will not be tolerated. You will be asked to leave and not be able to sell again until permission is granted by market managers. Smoking is prohibited in booths by all vendors. (per Health Department)
6. All sales are to be conducted within your individual booth space. Any scales used in the market must have a current valid inspection seal from Weights and Measures. The spirit of commerce and fair pricing is recommended.
7. Each vendor is responsible for their own trash. All trash must be removed after each market. Bring a broom if necessary. We suggest bringing trash bags and containers. **Please do not dump waste water on the ground , gutter or in planters. Some markets have disposal sites, otherwise take it with you.**
8. Tear down may commence at the end of the market and **no earlier**. Market management may adjust hours, as they deem necessary due to weather or other conditions. When one vendor leaves early it affects us all. We are a team!
9. Please see site specific guidelines for the market you are interested in.

**Thank You for Your Cooperation!**
